Banking Transactions with Online and/or Mobile Banking

You may use Online and/or Mobile Banking to conduct the following transactions:

- View account information

- Transfer funds between your savings, checking, and loan accounts
- Review account balance and transaction history for savings, checking, and loan accounts
- Review information on your loan account including payoff amounts, due dates and balance information
- Make bill payments from your checking account

Additional services may be available within Online and/or Mobile Banking. New services may be introduced for Online and / or Mobile Banking from time to time. By using these new services when they become available, you agree to be bound by any rules that will be made available to you concerning these services.

Mobile Access

Three secure methods are available using your mobile device: (1) SMS text message banking allows you to register your mobile phone number in Online Banking and then request to receive account information via text message alerts, including account balances, limited prior transactions and periodic balance alerts. You must have a text plan with your mobile provider. Additional fees may apply from your mobile provider and you are responsible for those fees. (2) Mobile Banking allows you to fully authenticate yourself to Online Banking using the mobile web browser on your mobile device, just as if you were accessing the service from a personal computer. You can log in to a secure web version of Online Banking to view account balances, make transfers between your Central One Federal Credit Union accounts and manage your bill payments, among other transactions. There is no separate registration for Mobile Banking in Online Banking, but you must have mobile web browser capabilities on your mobile device and a data plan with your provider. (3) Mobile App Banking provides applications (Apps) for your “smart” mobile device. Apple and Android platforms are currently supported. Apps can be downloaded from the respective App stores. To utilize Mobile Deposit to deposit checks within the Mobile App, you must have a functioning camera in your device, be approved to use the service and agree to the Mobile Deposit user agreement presented upon registration for that service:

Limitations on Transactions

Because regulations require Central One Federal Credit Union to limit pre-authorized transfers (including transfers processed electronically using Online and/or Mobile Banking), the following limitations apply:

- a. Savings accounts. You can make no more than a total of six transfers per statement period by pre-authorized or automatic transfer, telephone, or Online/Mobile Banking.
- b. Maxi savings accounts. You can make no more than a total of six transfers per statement period by pre-authorized or automatic transfer, telephone, or Online/Mobile Banking. Fees may be charged for transfers for certain account types. Please refer to our fee schedule for details: <https://www.centralfcu.com/resources/rates>.

Account Information

The account balance and transaction history information may be limited to recent account information involving your accounts. Also, the availability of funds for transfer or withdrawal may be limited due to the processing time for ATM deposit transactions and our Funds Availability Policy. A summary of our Funds Availability Policy is available here:
https://www.centralfcu.com/assets/files/FdgW5nSa/Funds%20availability_for%20web_3-15-18.pdf

Bill Payment Service

The Bill Payment service permits you to direct payments from your designated online Funding Account to businesses or individuals you wish to pay. All payments you make will be deducted from the account you designated as your Funding Account. Any payments you wish to make through this service must be payable in U.S. dollars to a payee located in the continental United

States. We reserve the right to restrict certain types of payees to whom payments are made using the Service. You should not use the Bill Payment Service to make payments to settle securities purchases, payments to interest bearing accounts, tax payments, or court ordered payments as payments for these payees are your sole responsibility if delayed or improperly processed or credited.

Funds must be available in your Funding Account on the scheduled payment date. If the date you schedule a payment to be initiated falls on a non-business day (Saturday, Sunday or holiday), funds must be available in your Funding Account the following business day (e.g., Monday). The payment is sent by either transferring funds electronically to the payee or by mailing the payee a check on the scheduled date selected by you.

You may choose to schedule payments to recur for the same amount at regular monthly intervals. When you create a new payee in the Bill Payment service, it has a temporary status until there has been sufficient time to set up and verify the account. You should schedule a payment to a new payee at least five (5) business days before any payment due date, to allow enough time to set up the payee and verify information about your account with the payee. If you require expedited bill payments, any applicable fees would be presented at the time that service is requested.

For all subsequent payments, you agree to allow at least three (3) business days for payments sent electronically and at least five (5) business days for payments sent by paper check between the date you schedule a payment to be initiated and the payment due date (that is, the due date shown on your invoice or provided in your agreement with the payee, not taking into account any applicable grace period). You will be fully responsible for all late fees, finance charges or other action taken by the payee. If you schedule your payment and follow all instructions provided, but the payment is not received by the payee in a timely manner, Central One Federal Credit Union will work with the payee on your behalf to attempt to have any late fees or charges reversed.

Central One Federal Credit Union will not be liable in any way for damages you incur if you do not have sufficient funds in your Funding Account to make the payment on the processing date, for delays in mail delivery, for changes to the payee's address or account number unless you have advised us of the change sufficiently in advance, for the failure of any payee correctly to account for or credit the payment in a timely manner, or for any other circumstances beyond the control of Central One Federal Credit Union.

If your Bill Pay Funding Account does not have sufficient funds to make a payment as of the date the transfer or payment is attempted or scheduled to be made, the transfer or payment will be made and NSF fees will apply according to our fee schedule:
<https://www.centralfcu.com/resources/rates>.

For all NSFs, whether processed by paper or electronically, after the first failed attempt to debit funds from your Funding Account, your Bill Payer Service will be locked and the account will be turned over to the Bill Payment Collections Department. The Bill Payer Service may be reopened once it is paid in full.

If you have six NSF occurrences in a rolling twelve (12) month period, the Bill Payment Collections Department will permanently close your Bill Payer Service.

You will have the ability to cancel or change a bill payment. If you request to cancel a payment after it is issued and we agree to do so, we may charge you a stop payment fee. Stop payment orders will be in effect for a period of six months. If requested by Central One Federal Credit Union, you will confirm any stop payment order. After six months, a stop payment will terminate and must be renewed in order to continue to be in effect. Central One Federal Credit Union may

pay any item that is presented following the lapse of any stop payment order. Stop payment fees are detailed in our fee schedule: <https://www.centralfcu.com/resources/rates>.

EXCEPT AS OTHERWISE PROVIDED IN THIS AGREEMENT, YOU MAY NOT PLACE A STOP PAYMENT ON ELECTRONIC FUND TRANSFERS, THEREFORE, YOU SHOULD NOT INITIATE ELECTRONIC FUND TRANSFERS UNLESS YOU ARE SATISFIED THAT YOU WILL NOT NEED TO STOP PAYMENT.

Electronic Mail

We may not be able to immediately respond to eMail communications you send and will not take action based on an eMail request until we have a reasonable opportunity to act. If you need to contact us immediately regarding an unauthorized transaction or stop payment request, you should call Central One Federal Credit Union at (800)-527-1017.

Other Agreements

In addition to this Agreement, you and Central One Federal Credit Union agree to be bound by and comply with the requirements of the agreements applicable to each of your Online Accounts. Your use of the Online Banking, Mobile Banking and/or Bill Payment service is your acknowledgment that you have received these agreements and intend to be bound by them. You should review other disclosures received by you when you open your accounts at Central One Federal Credit Union including the charges that may be imposed for electronic funds transfers or the right to make transfers.
